**ANSWER**

THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR POWER, COAL AND NEW & RENEWABLE ENERGY  
( SHRI PIYUSH GOYAL )

(a) : NHPC Limited runs 18 hydro power projects with total installed capacity of 4961.2 MW. The details are given at Annex.

(b) & (c) : The Task Force on the development of Jammu & Kashmir recommended transfer of certain Power Projects of NHPC including Dulhasti Hydroelectric Project (HEP) to State Government. The recommendation was considered by the Union Government and not accepted as the power generated from the project has already been allocated to various States including J&K. Also the transfer of the project is likely to entail considerable financial, non-financial and legal problems.
