Never mind the rule book of the Pune Municipal Corporation (PMC). It says that cars allotted to office-bearers have to stay within municipal limits, but the truth is they have been going beyond limits and rules too often, seeking solace at tourist resorts and pilgrim centres.

Using the Maharashtra Right to Information Act (MRTI) for the second time on the use (misuse?) of official cars by elected representatives, Maj Gen SCN Jatar (retd), president of Nagrik Chetna Manch, has procured shocking details of logbook entries on innumerable outstation trips made by the Mayor, Deputy Mayor, Standing Committee Chairman, Leader of the Opposition and Leader of the House in their official cars.

On October 21, 2003, Jatar asked the PMC Public Information Officer (PIO) details of cars allotted to office-bearers including kilometers travelled every month both for official and private use, total expenditure on fuel and maintenance, rules governing the use of these cars and audit report on the expenditure.

The details of the response he got on November 10 were published in Pune Newsline on November 26. The total expenditure on cars was a staggering Rs 51,02,235 from January 1 to October 31, 2003.

As for the break-up of official and private use, the PIO was evasive. But going by the over half-a-crore rupees bill in 10 months, it was either that the official cars were making too many outstation trips or that the elected representatives were travelling close to 400 km per day within city limits.

So, a fresh query was filed in the Right to Information Act on January 19, seeking details of log book entries on outstation trips made by city's civic chiefs.

This led to shocking revelations. Official cars were used to visit places like Mahabaleshwar, Lonavla, Khandala, Shrirampur, Nashik, Bhimashankar, Junnar, Pandharpur, Phaltan, Chipuln, Shirdi, Aurangabad, Pen, Wai, Mahad, Ganapatipule, Akkalkot, Indapur, Tuljapur, Harihareshwar, Satara, Kolhapur, Sangli, Ganagapur, Jejuri, Choufula, Solapur, Ahmednagar, Jalna, Dhule, Yavatmal and even Nipani in Karnataka.

The Mayor's performance takes the cake. In fact, according to the log book, she pulled off the impossible of being present at two places at the same time. On December 18, the Mayor was at Sangamner in one of her official vehicles and at Alibag in another; on May 31 and June 1, she was at Mumbai and Ahmednagar simultaneously; on September 20, she was at Mahabaleshwar and Nashik at the same time and on December 9, she was in Mumbai and also in Ahmednagar.

``The indiscriminate use of transport allotted for official duties is another example of how the PMC is like a personal fiefdom of the corporators," says Jatar.

And now the clincher: The PIO has confirmed no audit has ever been carried out on the use of official vehicles.

The real drive shown by your elected representative

In yet another precision use of the Maharashtra Right to Information Act, Maj Gen SCN Jatar (retd), President of the Nagrik Chetna Manch, has received shocking information on the outstation trips made by official cars allotted our elected office-bearers in the Pune Municipal Corporation.

The cars which, strictly going by the rules, should remain within the civic limits and go out only in exceptional circumstances, have been crossing the limit too often - in fact all limits - visiting pilgrim places, tourist resorts, our good old Mumbai and all kinds of inconceivable places. On an average, their official cars had to move out of Pune once in four or five days throughout 2003.

Jatar sought the information on cars allotted to the Mayor, the Deputy Mayor, the Standing Committee Chairman, the Leader of the Opposition and the Leader of the House for the year 2003.

We reproduce here the entire log book information received by Jatar. Go through the entire log book entries yourselves, dear readers, and draw your own conclusions.

Unless there is a specific mention of a night halt, the cars are shown as having returned to Pune the same day. If the return journey is specifically mentioned, the emphasis is ours. That is to draw your special attention.
