

AID, Lesliganj, Palamu, Bihar

This was a grassroots workshop with the network of Action for India Development. This organisation has had follow up action since then and were instrumental in making the right to information an issue in the public meetings by the district administration on the *Indira Awaas Yojana* which took place a couple of weeks after the workshop was held. They have planned district level follow up workshops in Jamshedpur, Chainbasa and Giridih, to be followed by a state level convention and rally to put pressure on the government for the implementation of the right to information in the state of Jharkhand.
